DUBAI (UAE) , BEIRUT (LEB) , PARIS (FRA) & MIDDLE EAST, JUNE 2021

MODAMORE & PARTNERS , a startup that connects and supports luxury brands, Joins FasterCapital!

MODAMORE & PARTNERS is a startup based in the UAE and is raising \$1000K in order to complete building and developing its platform. MODAMORE & PARTNERS has joined FasterCapital's Technical Cofounder program and was accepted.

Through the program, MODAMORE & PARTNERS will get full technical and software support and will secure 50% of the funding needed for the technical development.

FasterCapital is an online incubator and accelerator based in Dubai which supports startups and scaleups through four Programs: [Tech Cofounder](#), [Raise Capital](#), [Grow your Startup](#), [Raise Capital](#).

MODAMORE & PARTNERS was inspired by the founder's; Mr. [Mohamed Haykal](#), passion for luxury brands and products which he believes "don't mean an expensive product or only people who can afford to pay for high price, the luxury is about value creation, selling a dream, a feeling, an experience

incomparable to another." The startup is offering connections, marketing support, and loyalty programs unprecedented in the market.

Mr. [Hesham Zreik](#), CEO of FasterCapital, commented on this partnership, "We believe MODAMORE & PARTNERS will fill in a market gap in the MENA and UAE market and will connected global luxury markets and bring them closer to their customers."
